Children's Museum OF RICHMOND

CHAPERONE PLAY GUIDE

Thank you for choosing to lead a group today at the Children's Museum. Children aren't the only ones that can have fun at the museum. There are so many ways for you to participate in learning through play while also ensuring safe behavior.

A few ways to encourage learning through play

Grand Cavern

Play I-Spy as you explore the cave.

Magic Meadow

Use your senses to uncover interesting nature finds.

Nature Lab

View a speciman up close. See anything surprising?

Seymour Studio

Make something using only recycled materials.

Amtrak Train

Pretend to travel by train across the country together

Wegmans

Take turns being the customer and the cashier.

RVA Waterway

How can you change the direction the water is going?

Skybox Climber

Count how many levels of the climber you can go up.

Safety Reminders:

- Refrain from using cellphone.
- Keep group together at all times.
- Maintain safety ratio of 1 adult per 5 children.
- Help children re-set items before leaving exhibits.
- Remind students to walk.
- Trip groups are too large for the Itty Bitty River City (3 yrs and under) exhibit.
- If your child is part of a group that is larger than 25, they cannot ride the carousel.

Look for our "Exhibit Guide" holders located on the exhibit walls for more ideas on how to foster an environment of PLAY within your group.
Thanks for coming today!
