

Tips for
caregivers to
help kids learn
through play!

HARVEST

Please return to exhibit holder when finished

Talk

- What are the differences between rural, suburban and urban communities?
 - Rural communities have fewer people and homes are more spread out.
 - Suburban communities have more people than rural communities, and homes are closer together.
 - Urban communities have more people living and working more closely together than suburban communities.

Play Together

- There are two ways to get the soy beans into the silo. See which one is faster.
- Once your beans are in the silo, look up and watch for them to travel through the tube to the tractor.

Explore

- Explore how many ways you can move soy beans at this exhibit.

Ideas to Learn Together Throughout the Children's Museum

- *Let your child lead the way*
- *Ask open-ended questions that require more than a "yes or no" answer*
- *Let your child do the work*
- *Encourage safe risk-taking*

HARVEST

Pretend that you are a farmer harvesting soy beans with the combine, using the grain elevator to store beans in the silo and moving the beans in the tractor. What do your plants need to grow?
